

Remarks

Reconsideration of remaining claims 9, 13, 15-16, 19-21 and 28-43 is respectfully requested.

In the Office action dated June 28, 2005, the Examiner cited claims 28-43 as being allowed. Claims 9, 13, 15, 16, 19-21 and 44 were objected to as depending from a rejected base claim, the remaining claims being rejected under 35 USC § 103(a).

In response to the Examiner's objections and rejections, applicants have amended claims 9, 13, 15, 16 and 19 to include the intervening subject matter of the associated rejected base claims.

With these amendments, applicants believe that all of the remaining claims are now in condition for allowance and respectfully request an early and favorable response from the Examiner in that regard. If for some reason or other the Examiner does not agree that the case is ready to issue, and that an interview or telephone conversation would further the prosecution, the Examiner is invited to contact applicants' attorney at the telephone number listed below.

Respectfully submitted,

Albert T. Chow et al.
